I've been able to help our community numerous ways for many years as long-standing member of the Rotary Club of Nanaimo North. As an artist, I've organized many 'Dinner & Art For Cause' fundraisers that have supported important causes such as: the BC Children's Hospital Foundation, Haven Society, VIU Foundation, Vancouver Island Symphony, and I created and donated an oil painting to the Nanaimo Child Development Centre.

This business proudly supports

The Rotary Club of Nanaimo North

who lends a hand in our community by working at
Loaves & Fishes and Salvation Army every month.
